GENERAL INSTRUCTIONS

Public reporting burden for this BE-45 report is estimated to average 8 hours per response. This burden includes time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate to Director, Bureau of Economic Analysis (BE-1), U.S. Department of Commerce, Washington, DC 20230; and to the Office of Management and Budget, Paperwork Reduction Project 0608-0066, Washington, DC 20503.

Purpose — Reports on this form are required to obtain reliable and up-to-date information on transactions between U.S. insurance companies and foreign persons. The information will be used to formulate U.S. policy, and to analyze the impact of that policy and the policies of foreign countries, on such international transactions. The data will also be used in compiling the U.S. balance of payments accounts.

Authority — This survey is being conducted under the authority of the International Investment and Trade in Services Survey Act (P.L. 94-472, 90 Stat. 2059, 22 U.S.C. 3101-3108, as amended — hereinafter "the Act"), and the filing of reports is mandatory under section 5(b)(2) of the Act (22 U.S.C. 3104). Regulations for the survey may be found in 15 CFR Part 801.

Penalties — Whoever fails to report may be subject to a civil penalty of not less than \$2,500, and not more than \$25,000, and to injunctive relief commanding such person to comply, or both. Whoever willfully fails to report shall be fined not more than \$10,000 and, if an individual, may be imprisoned for not more than one year, or both. Any officer, director, employee, or agent of any corporation who knowingly participates in such violations, upon conviction, may be punished by a like fine, imprisonment, or both. (*See 22 U.S.C. 3105.*) Notwithstanding the above, a U.S. person is not subject to any penalty for failure to report if a valid Office of Management and Budget (OMB) control number is not displayed on the form; such a number (0608-0066) is displayed at the top of the first page of this form.

Confidentiality — The Act provides that your report to this Bureau is CONFIDENTIAL and may be used only for analytical and statistical purposes. Without your prior written permission, the information filed in your report CANNOT be presented in a manner that allows it to be individually identified. Your report CANNOT be used for purposes of taxation, investigation, or regulation. Copies retained in your files are immune from legal process.

I. WHO IS TO REPORT AND GENERAL COVERAGE

A. Who must report

1. Form BE-45 is to be filed by U.S. insurance companies that have engaged in reinsurance transactions with foreign persons, that have earned premiums from or incurred losses to, foreign persons in the capacity of primary insurers, or that have engaged in international sale or purchase transactions in services auxiliary to insurance. Filing is mandatory if, with respect to these transactions, any of the following eight items was greater than positive \$8,000,000 or less than negative \$8,000,000 for the previous calendar year or can be expected to be in the current calendar year, on an accrual basis: (1) premiums earned, and (2) losses, on reinsurance assumed; (3) premiums incurred, and (4) losses, on reinsurance ceded; (5) premiums earned, and (6) losses, on primary insurance sold; (7) sales of, and (8) purchases of, auxiliary insurance services.

Complete Schedule A, columns 3 and 4 for each of the four quarters of the calendar year for transactions that occurred during the reporting quarter. Please complete Schedule A, columns 5 and 6 on a voluntary basis for each of the four quarters of the calendar year for losses that occurred during the reporting quarter.
